CONTENTS

1. Chinese Daily

Did you know that Mandarin Chinese is the most spoken language in the world? Learning everyday Chinese not only prepares you for everyday conversations, but also connects you with over a billion people around the world. Additionally, learning with native speakers bridges the gap between books and reality, providing you with an authentic understanding of the language and culture.

One on one tutoring, 30 hours - \$744

2. Fun Chinese for Children and Teenagers

Unlock the power of early learning! Teaching Chinese to your child not only makes language acquisition easier, but also prepares them for a more successful future. After English, Chinese becomes an invaluable tool to access better colleges, universities and build a solid foundation for your professional career. Early investment in learning Chinese is an investment in a future full of opportunity and success.

Live online Classes, one on one or small groups - 6 Months - \$744

3. Training for HSK exam (汉语平review): Official Chinese proficiency Test

Raise your aspirations! Excelling in the HSK exam not only demonstrates your language ability but also puts you closer to studying at the best universities in China, some of which are among the best ranked in the world. Your success in the HSK is your ticket to unlocking educational opportunities in a country with a rich cultural heritage and world-class institutions.
